WEDNESDAY EVENING, AUG. 24

SAYS HE DAMNED SUNDAY SCHOOL.

Dr. Henry B. Downs, Speaker Cannon's only opponent in his own party for Congress, has issued a challenge to the speaker for a series of joint debates, to take place between September 5 and September 10. In his challenge Dr. Downs says he proposes to affirm that Cannon's attitude as a public legislator has not been for the people, but to serve self and the interests; that instead of serving his constituents he has spent a long life in the accumulation of millions through the machinations of politics, and that it is this money power upon which he leans as a staff to support his tottering footsteps again into office. Dr. Downs further says of Mr. Cannon that he has damned the Sunday school and snubbed the Methodist Episcopal Church and that because of this he is not worthy to represent the citizenship of his district in Congress.

So far Speaker Cannon has made no reply to the challenge, and it is not thought he will take any notice of it.

STRIKERS USE DYNAMITE.

Rioting, bloodshed and dynamite outrages came as a result of the strike of miners employed by the Pennsylvania Coal Company at Old Forge late Monday night and yesterday morning. During the rioting Monday night Joseph Bolecci, aged 45, was shot through both wrists and Daniel Verardi received a bullet in the right leg. The shots were fired by state troopers who, after using their maces right and left on a crowd of miners, found it necessary to resort to revolvers when the crowd turned on them with chairs and clubs.

Dynamite became the weapon used yesterday morning. At 2 o'clock the strikers exploded a dynamite charge under the eight-inch steam pipe running from the Old Forge Colliery to the No. 2 shaft, smashing it in sections for some distance. Four hours later they exploded a charge under the iron trestle close to No. 2 shaft. But they laid the charge wrong and no damage resulted to the trestle. Several men were arrested.

Be sure and take a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with you when starting on your trip this summer. It cannot be obtained on board the trains or steamers. Changes of water and climate often cause sudden attacks of diarrhoea, and it is best to be prepared. Sold by W. F. Creighton and Richard Gibson.

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorna A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book.

"I tried doctors and other medicines and found little relief, until I found in your book that Cardui was the remedy I needed. I bought it and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to do of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga, Tenn., for full instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
